crime available on the Cheshire Constabulary website

Chester Villages News

PCSO BAILEY and PC HUGHES continue to serve as your local Beat Policing Team, serving the Chester Village residents, businesses, and community groups. In November as the nights get darker, community engagement has continued with visits in our schools, road safety, problem solving and responding to incidents as priority demands. PCSO BAILEY attended St John's Church in Guilden Sutton for Remembrance Service and the cenotaph afterwards to commemorate Remembrance Sunday. PCSO BAILEY in November visited several schools in anti-bullying week, and the new Reception Class at Christleton Primary School.

As always our road and motorway networks are busy, Roads Policing are dealing with reports of highway disruption, road traffic collisions and road related offences on a daily basis. Make sure your vehicle is fit for winter with de-icer, tyres in order, enough fuel, phone for emergencies etc. Preparation such as joining a break down service can save police time and resources.

Cheshire Constabulary have been involved with Op Septre this month, our knife crime reduction initiative, with different events such as knife crime surrender bins made available to the public.

Police Surgeries in December will be:

Online Saturday 2nd December, 9am to 10am

Online Saturday 9th December, 1pm to 2pm

Online Tuesday 19th December, 1pm to 2pm

Please take time to complete our Residents Voice Survey if you have not done so already by following the link. The ward area is Chester Villages, you can click on the link to take you straight to the correct place on Cheshire Constabulary website. The comments are reviewed and the priority of Chester Villages from residents and

A blue poster for the 'Resident's Voice' survey. It features a green speech bubble with the text 'Resident's VOICE' inside. Below the speech bubble, it says 'Have your say on policing in your area...' in yellow. The text continues: 'It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.' There is a QR code on the left side. To the right of the QR code, it says: 'Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it. You will be taken to a page where you can complete the survey.' At the bottom, it says: 'If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester' in yellow. The background of the poster features a faint Cheshire Constabulary crest.

Resident's VOICE

Have your say on policing in your area...

It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.

Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it. You will be taken to a page where you can complete the survey.

If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester
