DELIVERING TOGETHER

We are working on a road near you

A56 Warrington Road, Mickle Trafford

Surface Treatment Programme

Phase 1— patching works

Week commencing 11th May 2026

*19:00—06:00

(Dates of further phases of closures inside)

0300 123 7036

@Go_CheshireWest

Dear Residents & Businesses

We are writing to inform you we will be carrying out Surface Treatment works on A56 Warrington Road from Oak Bank Lane to Shrewsbury Arm Pub.

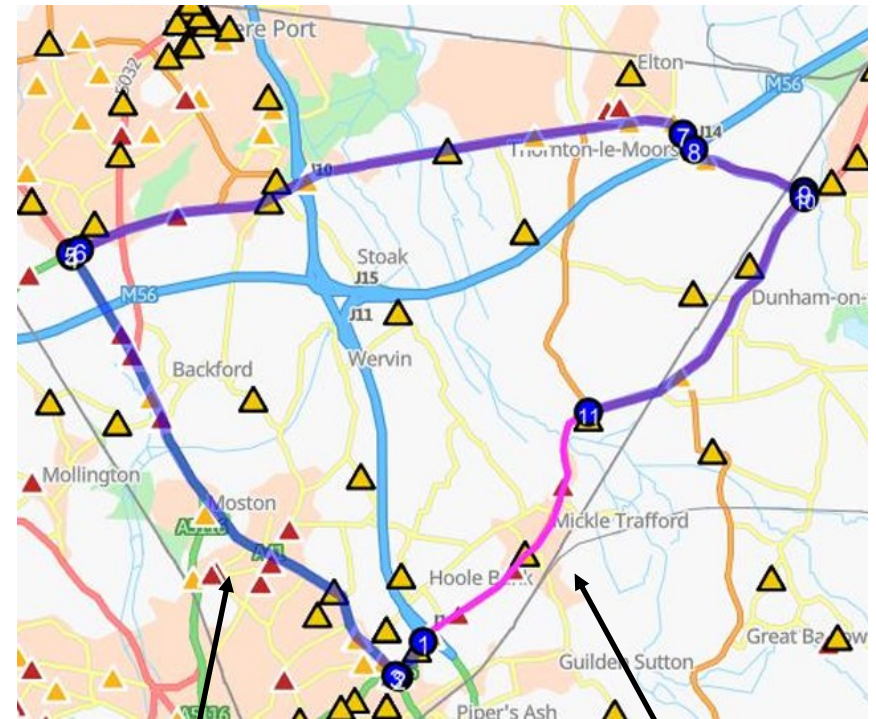

This will involve a full road closure. Access will be maintained for residents, businesses and emergency services only, though you may experience minor delays at times. We endeavour to maintain pedestrian access throughout the duration of the works. If you require vehicle access into or out of the affected area, please speak to our operatives on-site. They will accommodate you as best as possible.

*All works are weather-dependent, therefore, it may be necessary to delay or cancel the proposed closure dates. Please refer to the large yellow information boards located near the closure for the most up-to-date information on date changes.

Please remove all vehicles from the carriageway before the specified starting time of the closure.

Some aspects of this work will be noisy. This includes mandatory reversing alarms on our vehicles, which are essential for the safety of the site.

We appreciate your patience whilst these works are carried out.

Diversion route shown in blue. Closure shown in pink.

There will be further road closures in the near future for surface treating the road following patching works. Please keep an eye out for the information boards.

Further surface treatment closure dates:

Phase 1 — Week Commencing 11th May 2026. 19:00—06:00.

Phase 2 — Week Commencing 11th May 2026. (daytime working)

Phase 3— Week Commencing 18th May 2026 (daytime working)

Phase 4— Week commencing 1st June 2026 (nighttime working)
